

Velaro IP Address Ranges

If you are implementing the Enterprise Integration to post an XML document to our servers when a chat is completed. Due to security measures our servers are not open to all IP addresses. The following IP ranges that Velaro uses are:

216.230.116.40 - 216.230.116.62

and 216.230.116.37
